

# Revenge

Jesus On Extasy

Your nanny was a TV screen  
Your mommy wasn't there  
Daddy worked too hard all day  
He also never cared

Now you've grown up and realised  
Your childhood wasn't real

.....

You wanna start to kill

Now you want revenge  
You got a plan  
Now you take control  
And make them pay

Inside your head's a battlefield  
Chaotic state of mind  
And as you leave your past behind  
You slowly start to cry

bang, bang let's kill,  
just you won again

Now you want revenge  
You got a plan  
Now you take control  
And make them pay

Now you want revenge  
You got a plan  
Now you take control  
And make them pay

bang, bang , bang , bang let's kill  
bang, bang , bang , bang let's kill  
(2x)

Now you want revenge  
You got a plan  
Now you take control  
And make them pay

Now you want revenge  
You got a plan  
Now you take control  
And make them pay

Bang, bang, bang, bang  
Bang, bang, bang, bang  
Bang, bang, bang, bang  
Bang, bang, bang, bang
