

In Constraints

Jesus Piece

Life spent living
Breathing in constraints
Not knowing what's to come
Dead on the outside
Close me away
Do away with me

Leave me be, let me rot
All my cords tied up in knots
I won't sleep, I won't speak
Become one with my misery

Desperation
Grown complacent
An attempt to save face
So fucking spineless

Leave me be
Leave me be
Let me rot

I watch it all crumble down all around me
Let me rot
Lie still as the flames pull me south

Down where I
Down where I belong
The deep earth's embrace
Away from this plane

Life spent living
Breathing in constraints
Not knowing what's to come
I've grown tired
Let me rot

Let me rot

Let me rot
Let me
Let me rot
