

Coming Home Soon

Jet

I want you to know it's gonna take you a long time
You won't find a better friend than me

You try your hardest to defeat yourself
Yeah you do, yeah you do, yeah you do
I wish you well, I wish you well

Don't worry, baby
Cause I'm coming home soon
Now I lost everything that you gave me
Help me now!

You try your hardest to be yourself
I wish you well, I wish you well
You could be anything, if you would like to change
You could be anything, if you would like

Don't worry, baby
I'm coming home soon
I lost everything that you gave me
Help me now!

Don't worry, baby (don't worry, baby)
Cause I'm coming home soon (I'm coming home soon)
I lost everything that you gave me
Help me now!

Don't worry, baby (don't worry, baby)
Cause I'm coming home soon (I'm coming home soon)
I lost everything that you gave me
Help me now!

Who's gonna save me?
I'm coming home soon
Don't worry, baby
I'm coming home soon

Are you gonna save me?
I'm coming home soon
Don't worry, baby
I'm coming home
