Timothy

Timothy, I took your place Timothy, cause it's such a waste Timothy, we found your spaceship Timothy, it's the farthest you've ever flown

Never used your head To find out what this whole thing meant

It's not what it seems But it is Timothy where have you been? Timothy where have you been?

Timothy, where did you go? Timothy, the boy can throw Timothy, we found your spaceship Timothy, did it hurt when you hit the ground

Never used your legs To walk round in this whole big mess

It's not what it seems But it is Timothy where have you been She cried in the kitchen To let you go Timothy where have you been

Missed your photo Missed your birthday too Missed your photo
