Old Charlie stole the handle

And the train it won't stop going no way to slow down

He sees his children jumping off

At stations one by one

His woman and his best friend

In bed and having fun

Oh he's crawling down the corridor

On his hands and knees

Old Charlie stole the handle

And the train it won't stop going no way to slow down

He hears the silence howling

Catches angels as they fall

And the all-time winner

Has got him by the balls

Oh he picks up gideon's Bible

Open at page one

I thank god He stole the handle

And the train it won't stop going no way to slow down...
