

Fool

Jetta

I wonder if you really want it
I thought you did, but now I'm not sure
I thought I was your tonic
That I could stop it, but now I'm not sure

Why do you wanna run for me?
But then you want me, too, yeah
What is it you want for me?
You wanna play me for a fool, and
No, no reading lines
But I know I know you well
I know you better than you know yourself

But you just start to fadin'?, and now
Now I think I'm a dyin' fool, for lovin', lovin'
Now, oh, no, I think I'm a dyin' fool, a lovin' fool
A lovin' fool, a lovin' fool, a lovin' fool, lovin' fool
Lovin', lovin'
A lovin' fool, a lovin' fool, a lovin' fool
Lovin', lovin'

I put my heart out on the line
So convinced that I was your cure
Go on and sing your sweet lies
So many times, that, oh, oh, oh

Yeah, why do you wanna run for me?
But then you want me, too, yeah
What is it you want for me?
You wanna play me for a fool, and
No, no reading lines
But I know I know you well
I know you better than you know yourself

But you just start to fadin'?, and now
Now I think I'm a dyin' fool, for lovin', lovin'
Now, oh, no, I think I'm a dyin' fool, a lovin' fool
A lovin' fool, a lovin' fool, a lovin' fool, lovin' fool
Lovin', lovin'
A lovin' fool, a lovin' fool, a lovin' fool
Lovin', lovin'
But you just start to fadin'?, and now
Now I think I'm a dyin' fool, for lovin', lovin'
Now, oh, no, I think I'm a dyin' fool, a lovin' fool
A lovin' fool, a lovin' fool, a lovin' fool, lovin' fool
Lovin', lovin'
A lovin' fool, a lovin' fool, a lovin' fool
Lovin', lovin'
