

Hangin'

Jetta

Hangin' by the heart like that
Play the part like that
Play it, play it, play it
Hangin' by the heart like that
Play the part like that
Play it, play it

High sometimes thinking
Just thinking about you
And I get by sometimes the same way
As I'm sure you do

Next thing I see, you are getting up to leave
Everything I feel in a rush, watch you disappear
Oh-oh, I can hear it, I can't get no rest
You had me...

Hangin' by the heart strings
Hangin' in the violence
Comin', you had me...
Hangin' by the heart strings
Playing to the sound of my heart
Hangin' on a symphony
I don't need no sympathy
Every time I hear the beat
Just where I wanna be
Hangin' by the heart strings
Playing to the sound of my heart
Play it, play it, play it

Pull me in by single thread
Then wind me up, wind me up
Till there's nothing less
Oh, it's nights like these
Nights I can't forget

Next thing I see, you are getting up to leave
Everything I feel in a rush, watch you disappear
Oh-oh, I can hear it, I can't get no rest
You had me...

Hangin' by the heart strings
Hangin' in the violence
Comin', you had me...
Hangin' by the heart strings
Playing to the sound of my heart
Hangin' on a symphony
I don't need no sympathy
Every time I hear the beat
Just where I wanna be
Hangin' by the heart strings
Playing to the sound of my heart
Play it, play it, play it

So I'm hangin' 'cause I'm feeling strong
Hangin' on till the feeling's gone
So I'm hangin' 'cause I'm feeling strong

Hangin' on
You had me...

Hangin' by the heart strings
Hangin' in the violence
Comin', you had me...
Hangin' by the heart strings
Playing to the sound of my heart
Hangin' on a symphony
I don't need no sympathy
Every time I hear the beat
Just where I wanna be
Hangin' by the heart strings
Playing to the sound of my heart
Play it, play it, play it
