

Oh yeah you're so sweet
Oh it kinda makes me sick
I can't get you off my mind
Think about you all the time
Oh yeah you're so sweet
Oh it kinda makes me sick
I can't get you off my mind
Think about you all the time

I know what I like
You can feed my appetite
And oh no don't be shy
It could be real fun tonight

You're so sweet, it's sickening
You're like a treat, sweet like honey
You're so sweet, what's happening?
Might break my teeth, only if you want it

Ones like you don't come around here often
Yeah I think I'm throwing up
Oh I like it, I don't care no
Yeah I am lucky
Ones like you don't come around here often
Yeah I think I'm choking up
What a nightmare, I don't care though
Yeah I am lucky

I know what I like
You can feed my appetite
And oh no don't be shy
It could be real fun tonight

You're so sweet, it's sickening
You're like a treat, sweet like honey
You're so sweet, what's happening?
Might break my teeth, only if you want it

You're so sweet
You're like a treat, sweet like honey
You're so sweet, what's happening?
Might break my teeth, only if you want it

Ones like you don't come around here often
Yeah I think I'm throwing up
Oh I like it, I don't care no
Yeah I am lucky
Ones like you don't come around here often
Yeah I think I'm choking up
What a nightmare, I don't care though
Yeah I am lucky

If it's alright
You can be in my dreams tonight
Oh sweet angel
You come to me in the afterlife
Ah, I woke up and I saw an angel

Ah, and its kiss was so sweet

You're so sweet, it's sickening
You're like a treat, sweet like honey
You're so sweet, what's happening?
Might break my teeth, only if you want it

You're so sweet
Oh honey
Oh yeah you taste so sweet
Oh honey
Oh taste so
