

# Taste

Jetta

You've gone and taken the taste away  
Yeah, I don't now what to say  
You've gone and taken the taste away

And no, I don't wanna feel it  
I don't wanna feel it  
But I already do  
In my blood  
In my nerves

Ha  
Uh  
Till it's alright  
Alright  
Ha  
Uh  
Till it's alright

You get in my blood  
You've come and taken the taste away  
(Till it's alright)  
And you know just what to say  
You come and take it away  
(Till it's alright)  
Feeling that I get

You know I don't wanna feel it  
I don't wanna feel it  
But I already do  
No, I don't wanna feel it  
I don't wanna feel it  
But I already do  
No, I don't wanna feel it  
I don't wanna feel it  
But I already do  
And, no, I don't wanna feel it  
I don't wanna feel it  
But I already do

In and out of the same lights  
Yeah, you keep me running  
In and out at the same time  
So keep on running, running  
Keep on running to me  
I get a rush, I'm full up from the body and mind  
So keep it running  
In and out at the same time

No, I don't wanna feel it  
I don't wanna feel it  
But I already do  
No, I don't wanna feel it  
I don't wanna feel it  
But I already do  
No, I don't wanna feel it  
I don't wanna feel it  
But I already do

No, I don't wanna feel it  
I don't wanna feel it  
But I already do

Getting on my nerves  
Getting on my nerves  
On and on and on and on  
On and on and on and on  
Getting on my nerves  
Getting on my nerves  
On and on and on and on  
On and on and on and on
