

We've been doin this war dance together for sometime I know,
we're treatin love like a
battlefield and takin it slow,
will you blink,
but do you think that you on your knee propose
It's dangerous I know

Love is a game until it's played
And if it's lost it can't ever be saved
We have heaven to win and hell to lose
But the difference is up to me and you
So if you will, I will stop saying I won't
And start saying I do

But life can take a long time
If you make the wrong choice
Time sure seems to fly by
When I hear your voice

The stakes are high,
I hope we find
The courage to believe
We will succeed

'Cause love is a game until it's played
And if it's lost, it can't ever be saved
We have heaven to gain and hell to lose
And the difference is up to me and you
So if you will, I will stop saying I won't
And start saying I do

Well our hearts are locked inside an iron box
We're both too afraid to reveal our most tender parts, oh

'Cause love is a game until it's played
And if it's lost, it can't ever be saved.
We have heaven to win and hell to lose
And the difference is up to me and you.

So if you will, I will stop saying I won't.
Stop saying I can't.
Is that what you said?
Cause if you did, I do. I do.

If you want me to.
I do.
If you want me to.
If you want me to.
If you want me to.
If you want me to.
I will try, I will try, I will try.
I do.
