

# Songs Of Freedom

Jewel

Don't worry, mother  
It'll be alright  
And don't worry sister  
Say your prayers and sleep tight  
It'll be fine  
Lover of mine  
It'll be just fine

And lend your voices only  
To songs of freedom  
No longer lend your strength  
To that which you wish to be free from

You shall lead  
A life uncommon

I've heard your anguish  
I've heard your hearts cry out  
We are tired, we are weary  
But we aren't worn out  
Set down your chains  
'Til only faith remains  
Set down your chains

And lend your voices only  
To songs of freedom  
No longer lend your strength  
To that which you wish to be free from

You shall lead  
A life uncommon

There are plenty of people  
Who pray for peace  
But if praying were enough  
It would've come to be  
Let your words bind no one  
And the heavens will hush themselves  
To hear our voices ring out clear  
With songs of freedom  
Songs of freedom

Damn you unbelievers  
Move out of the way  
There is a new army coming  
And we are armed with faith  
To live  
We must give

And lend our voices only  
To songs of freedom  
No longer lend our strength  
To that which we wish to be free from

And we shall lead  
Just lend our voices only  
Only to songs of freedom

And we shall lead  
A life uncommon
