

# Varinia

Jeymes Samuel

Go to sleep, hear my call  
I'm somewhere lost within the waterfall  
Awake to find a joyful me  
I'm lying underneath the cedar tree  
Varinia, the sun is the world in which you run  
You're free as the rain through your window  
Saying

Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh

Golden child, fearlessly  
You smile upon the gaze of destiny  
Beyond the cloud, a dawn awaits  
That houses all the souls of yesterday  
Varinia, the stars form a diamond where you are  
You're free as the birds through your window  
And she said

Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh

Away  
Run away, run away, run away  
For I've a shelter in the storm  
It's a place where I am warm now  
And, love  
I can say, I can say, I can say  
For I was found, now I am lost  
Within the beauty of your voice now  
Forbid me to ever leave your side  
Forbid me to ever leave your side

Away  
Run away, run away, run away  
I can bathe within the sun  
It's the person I've become now  
And, love  
Love, love, love  
I can say, I can say, I can say  
For I was found, now I am lost  
Within the beauty of your voice now  
Forbid me to ever leave your side  
Come on  
Forbid me to ever leave your side  
Come on  
Forbid me to ever leave your side  
Forbid me to ever leave your  
Side

And I won't leave your side  
And I won't leave your side  
I won't leave your side  
I won't leave your side  
Go to sleep hear my call, I'm somewhere lost within the waterfall  
I won't leave your side  
Awake to find a joyful me, I'm lying underneath the cedar tree  
I won't leave your side  
Varinia, the sun is the world in which you run  
I won't leave your side  
You're free as the rain through your window  
I won't leave your side  
Golden child, fearlessly, you smile upon the gaze of destiny  
I won't leave your side  
Beyond the cloud a dawn awaits that houses all the souls of yesterday  
I won't leave your side  
Varinia, the stars form a diamond where you are  
I won't leave your side  
You're free as the birds through your window  
I won't leave your side  
You're free as the birds through your window  
I won't leave your side  
You're free as the rain through your window  
I won't leave your side  
Go to sleep, hear my call, I'm somewhere lost within the waterfall  
I won't leave your side  
Awake to find a joyful me, I'm lying underneath the cedar tree  
I won't leave your side  
Varinia, the stars form a diamond where you are  
I won't leave your side  
You're free as the birds through your window  
I won't leave your side  
You're free as the rain through your window  
I won't leave your side  
You're free as the birds through your window  
I won't leave your side  
You're free as the rain through your window
