

# Leather

Jez Dior

Too many times before, you know I wouldn't rhyme before  
'Bout some shit I didn't want to talk about, then it's out  
Then it wouldn't kill my vibe before -  
Not this time though - but I do know one thing though  
Bitches - they come, they go  
Saturday through Sunday, Monday, yo  
It's whips and dips and slips  
Next thing I know your hands all on my bit  
"I love your jacket, where's my jacket?"  
Shit man, what's all this girl?  
What you put in there? I don't fuck with that shit  
I don't know your name, and you love this little game  
But you go ahead and pull that shit  
I don't know you full crazy, you'll be pushing up daisies  
We look like Sid and his Nancy, could it be B and Jay-Z?  
I'm going crazy with this one  
Don't call me baby, no, listen  
You better give me my jacket  
Shut up and kiss him, I said

She kiss my leather, and  
I kiss her better than she ever had  
She wears my leather, and  
I think that I'm a go home with that  
And I'll play with that and make it slow  
I think that she love the way that I watch her climb, up down that pole  
And that's the way that she's getting dough  
And that's the way that she's getting throwed

I'm - too hard for all of this  
Too much heart involved with this  
Too many people trying to get me what they want me  
But I don't wanna see it alone with this click clack bang  
Baby, this world is insane, nobody stays in their lane  
It's all about fame, I do not care about names  
I do not fuck with this game, I'm just so real  
Never don't know how to feel, I wish you knew how this shit feels  
Needing a drink just to keep my state of mind in tack with this whole life I  
'm living for real  
I need a Bonnie, I am a Clyde  
Need to put all this bullshit to the side  
Pulling your panties aside  
I'm going tonight, I'm going tonight

She kiss my leather, and  
I kiss her better than she ever had  
She wears my leather, and  
I think that I'm a go home with that  
And I'll play with that and make it slow  
I think that she love the way that I watch her climb, up down that pole  
And that's the way that she's getting dough  
And that's the way that she's getting throwed
