

# Please Don't Go

Jez Dior

I went and bought some cigarettes today  
Haven't smoked in years but things ain't going my way  
Every time I close my eyes I see your face  
I just wanna drink a bottle and rage

I put whole top back  
Threw some money in a sack  
Said I'm getting out of town and I ain't never coming back  
Put my black boots on, turn on my favorite song  
Drove as fast as I can until the whole city gone

I'm not all right but I'll be okay  
Try and I try but I just can't change  
On my knees begging you to stay  
Please don't go  
All my life has been the same  
Always been a sinner, I ain't never been a saint  
On my knees begging you to stay  
Please don't go

Okay okay, champagne and OJ  
To numb my feelings from the start the day is okay  
I don't care I'm on a roll, I'm on a bad one  
If I'm running out of liquor I'm a grab some  
Swerving all the way, mixing love and hate  
I've been all the way gone  
It's just the way you said I could see the hate never coming back home  
You're my only love, the only I told  
Only one that I'd ever flaunt  
You left a hole right in my heart, you're the only one that I want

I put whole top back  
Threw some money in a sack  
Said I'm getting out of town and I ain't never coming back  
Put my black boots on, turn on my favorite song  
Drove as fast as I can until the whole city gone

I'm not all right but I'll be okay  
Try and I try but I just can't change  
On my knees begging you to stay  
Please don't go  
All my life has been the same  
Always been a sinner, I ain't never been a saint  
On my knees begging you to stay  
Please don't go

Please don't go  
Please don't go

I'm not all right but I'll be okay  
Try and I try but I just can't change  
On my knees begging you to stay  
Please don't go  
All my life has been the same  
Always been a sinner, I ain't never been a saint  
On my knees begging you to stay  
Please don't go

Please don't go  
Please don't go
