

MAYBE LATER DANCE

Jhariah

Slipping through my shaky hands, never seem to have enough
Time to think it through
I'll try to hide inside the quiet corners of your mind
Just in case you take a glance, sit and wait with bated breath
Won't you please ask my name?
Chronic maybe-later dance, busy dreaming we could be friends

Oh, I wanna be just like you
Oh, I wanna be just like you
I'm mastering a mimicry of everything you do
A mask of mirrored imagery, absent of my misery

Didn't mean to disappoint, I would never tell a lie
I believed it too
I'm just a thief with pockets full of plans I picked from you
And you should bite your tongue, cuz I'd steal it just so I can
be a muse
Chronic maybe-later dance, busy making idols of my friends

Just like you (I'll do whatever it takes)
Oh, I wanna be just like you (I'll do whatever it takes)
I'm mastering a mimicry of everything you do
A mask of mirrored imagery, absent of my misery

(I'll do whatever it takes)
(I'll do whatever it takes)
(I'll do whatever it takes)
(I'll do whatever it takes)
Oh, I wanna be just like you
Just like you...

Oh, I wanna be just like you (I'll do whatever it takes)
Oh, I wanna be just like you (I'll do whatever it takes)
I'm mastering a mimicry of everything you do
A mask of mirrored imagery, absent of my misery
Yeah, I wanna be just like you (I'll do whatever it takes)
Oh, I wanna be just like you (I'll do whatever it takes)
How I wanna be just like you, like you, like you
Like you, like you, like you, like you
Like...
