

# Not So Bad

Jhariah

I may be wrong but I don't wanna be right  
And I wanna save the world but I'm thinking I might  
Destroy it from the inside out, inside out  
If I'm gonna die it'll be my way  
It may be the end of it as we know  
(May be the end of it as we know)  
And I just hope that it won't be my fault  
(Just hope that it won't be your fault)  
I'm the only one on this side of the war  
Alone, alone, and rotten to the core

So maybe it's not so bad if I just fall in line  
If I just give in would it be a crime?  
If I tried it, I might like it  
But every ounce of me resists and I can't describe it

I won't believe a word you say  
I know you might be right  
You might be saving humankind  
But my inseparable pride  
Might be the death of you and me, me, me, yeah

It's not so bad, It's not so bad  
It's not so bad, It's not so bad  
It's just the end of the world

So maybe it's not so bad if I just fall in line  
If I just give in would it be a crime?  
If I tried it, I might like it  
But every ounce of me resists and I can't describe it  
Maybe it's not so bad if I just fall in line  
If I just give in would it be a crime?  
If I tried it, I might like it  
But every ounce of me resists and I can't describe it

Me, me, me, yeah  
It's not so bad, It's not so bad  
(So maybe it's not so bad)  
It's not so bad, It's not so bad  
(So maybe it's not so bad)  
It's just the end of the world  
(So maybe it's not so bad)  
It's not so bad, It's not so bad  
(So maybe it's not so bad)  
It's not so bad, It's not so bad  
(So maybe it's not so bad)
