

Above And Beyond (Piano)

Jhené Aiko

Like yesterday, I remember the night
Saw you driving by, you had a bitch in your passenger side
I called your phone and then you just denied me
Really surprising, that wasn't like you
I thought you liked me
But now I just don't know
Where did all your feelings go?
I thought we were taking it slowly
I thought you were waiting on me, yeah

Just like that, you turn your back, that shit's so wack
When I do everything you ask of me
Just like that, I take you back when I be mad
But I still fuck with you so passionately

Don't act like you don't know
Don't act like I don't show up whenever you call
Don't act like you don't know
Don't act like I don't go above and beyond, woah

Won't hesitate to put my pride aside, admit that I lied
Know that I do some shit that you don't like
That's not the point, though, I thought you would fight for me
Really surprising me, this isn't like you
I thought you liked me

But now I just don't know
Where did all your feelings go?
I thought we were takin' it slowly
I thought you were waitin' on me, yeah
Just like that, you turn your back
That shit's so awkward and I do everything you ask of me
Just like that, I take you back when I be mad
But I still fuck with you so passionately, yeah

Don't act like I don't show whenever you call
Whenever you call, you know that I come
Don't act like I don't go above and beyond for you, oh, yeah
