

Boy

Jhené Aiko

I want to be close to you
I want to feel what you're thinking
I want you to feel my
Emotions no hesitating
You can be as bold as you want
My love is here and waiting
And no longer will I stand
For just imagining
Cause

Boy I don't know
What it would be like
If I had you here with me
Boy I can't say how
It would brighten my day
Just to have you here with me
Boy I don't know
What it would be like
If I had you here with me
Boy I can't say how
It would brighten my day
Just to have you here with me

Now it's getting stronger
The feeling's more than amazing
You see when I am all alone
It's of you that I'm thinking
Each and every night
Your thoughts have me mesmerized
And when I am by your side
My dreams become real life

Is it really love
Is this reality
Or possibly a dream
Could you be all I need
And looking for
To complete my life
Is this for real
Or just my imagination
