

On The Way

Jhené Aiko

I can't wait 'til you come over
I'm not sober, so, you know
How it's 'bout to go
'Cause I like to fuck when I'm drunk (Ayy)
I like to suck when I'm drunk (Ayy)
Come on, my baby, what's up? (What's up?)
I need you to hurry up
I can't wait, I can't wait
Pussy fairy's on the way (I got pussy on the way, pussy on the way)
Ooh, woah (Put that pussy on my face), yeah
I need that late night lovin'
I'm on my way, I'm comin'
I've been alone all night
I got you on my mind
I touch myself just thinkin' about you and
What that mouth do, yeah
When it come down, ooh
Lick it up, suck it up, vacuum, uh
Lick it up, suck it up, vacuum, like, oh, uh
Lay me on my tummy, put it in my stomach
You know exactly just how I want it
Now I can't stop comin'
Love how you love shootin' up my club
Let's go half on a son
How far do you wanna go?
Oh

Pussy fairy on the way (I'm on my way)
Baby, you ain't gotta wait, no (Wait, no)
Can't wait to see the look on your face
When I put this pussy on your plate

Bust it open, put his face in it (Ooh)
He ain't done 'til I say finish
Booty clappin' from the backshots
While we watch porn on the laptop
Pussy good, it's a fun time
Throw it up, it's that sunshine
Dick harder than the concrete
Got me squirtin', take off the sheets
I want you to see it
You're what this pussy needed (That dick, oh-oh)
Spit on that shit, make it glisten (You love how)
You love how my titties be sittin' (Yeah)
Grab my neck while I throw it back
You can play with my booty, I'm a freak like that, oh
I blow you shotguns while I ride it (Ride it)
Inhale the smoke while you stroke inside it
This pussy's yours, tear the frame out
Tell your friends Tinkerbell fucked your brains out (Your brains out)
Oh, woah

Pussy fairy on the way (I'm on my way)
Baby, you ain't gotta wait, no (Baby, you ain't gotta wait)
Can't wait to see the look on your face (Look up on your face)
When I put this pussy on your plate
Ooh, woah-woah

I can't wait 'til you come over
I'm not sober, so, you know
How it's 'bout to go
