

Picture Perfect

Jhené Aiko

Picture perfect
You are
Picture perfect
You are
Picture perfect to me
So I keep you in a frame
Keep that frame in my brain
When I don't want to see
What is in front of me
I, I do see you perfectly

Too perfect everything
Too perfect, you're a dream
Too good to touch
Too good, too much

Much too perfect to be reality

Picture perfect to me
Picture perfect
You and perfect me
We are young and we are free
We are pure and we are sure
And we're together how it was
How we were born to be

I remember still
I do see you still
Perfectly
