

# Sativa

Jhené Aiko

Yeah, oh oh  
Oh oh, yeah

Why you make it so complicated?  
Off the drink, we concentratin'  
I know you won't leave me hangin'  
Smokin' weed out the container  
We spend cash for entertainment  
There's more where that came from, that's all I'm sayin'  
It's me and you and we makin' arrangements  
It's you and me and we makin' arrangements

Is it hot in here or is it just me?  
I'm so high in here, been smokin' on this weed  
Told 'em: Go on, take a shot on three  
Told 'em: Drinks is on me  
Yeah, the drinks are on me  
I said: Now go and take a shot on me  
Only drug a bitch is on is the tree  
But I lasted ten rounds like a freak  
Like a G

Get ready (oh, yes, I'm ready)  
Now we're on (and if we're on)  
I said I'm ready (I said I'm ready)  
Hold the phone (please hold the phone)  
Get ready (oh, please get ready)  
I am on one (oh, I am on one)  
Where you be at? (Where you gon' be at?)  
Later on (later on)

Why you make it so complicated?  
Off the drink, we concentratin'  
I know you won't leave me hangin'  
Smokin' weed out the container  
We spend cash for entertainment  
There's more where that came from, that's all I'm sayin'  
It's me and you and we makin' arrangements  
It's you and me and we makin' arrangements

I'll keep it simple, baby  
I'ma keep it simple with you, baby  
You know I don't ever play no games  
You know I don't ever complicate it  
Got me feelin' some type of way  
Concentratin', concentratin' on the way  
You keep the rhythm

Oh my God, I'm glad you came  
You came through with that sativa  
Indica be havin' me stuck  
You know just how to keep me up  
You know it, better believe it

Get ready (oh, yeah, get ready)  
Now we're on (oh, we're on)  
I said I'm ready (oh, yeah, I'm ready)

Hold the phone (hold the phone)  
Get ready (you're ready)  
I am on one (I am on one)  
Where you be at? (Where you gon' be at?)  
Later on (later on, later on)

Why you make it so complicated?  
Off the drink, we concentratin'  
I know you won't leave me hangin'  
Smokin' weed out the container  
We spend cash for entertainment  
There's more where that came from, that's all I'm sayin'  
It's me and you and we makin' arrangements  
It's you and me and we makin' arrangements

Why you make it so complicated?  
(Why you make it so complicated?)  
Off the drink, we concentratin'

I know you won't leave me hangin'  
(I know, I know)  
Smokin' weed out the container

We spend cash for entertainment

There's more where that came from, that's all I'm sayin'
