

## Behold

JID

Behold, they say JID in G-O-D mode  
223 reload, let's see how fast the EMT go  
These flows keep they feet cold, the thrones getting reposed  
Why these folks playing musical chairs watch deceitful  
It's seasonal, cheesy, artisanal  
Pardon me, guarding me is not feasible (He's undefeatable)  
Unbelievable, if you see it, I keep a lil' dough on a basis you  
need to know  
Basically, I'm the face, I'm the CEO, take a seat in the vehicle  
We can roll from Stephenson Road to Cedar Grove  
Modifying the blickys, the GMO (Kill, bruh)  
TMI, if you knew what I know, then you probably would keep it low (Chill, bruh)  
Eagle eye, it's a bird, it's a plane, no, I think it's a UFO (It's real, bruh)  
CGI, don't believe what they saying and nothing, I seen three letters  
Another king 'bout to reign supreme, go get it

Two middle fingers in the pit so they don't ever forget  
Getting it back in blood, I want all they heads on a stick  
Hand on my dick, hand on my Glock, hands in yo' pocket, you bitch  
Hannibal Lector, whenever I lecture, nigga be biting and shit  
Who been keeping on the lights in this bitch? (Me)  
Nigga, I made the roaches scattered, make the play when it's suppose to matter  
And the game, it is oversaturated, and the flow so flattered by  
the posers  
Them posers who post and blabber, fake it, using dope as a rope  
, a ladder  
Vacant, so you cope with the jokes and laughter  
Get smoke to overdose, now the hopes is shattered (Break it)  
But I digress, 'call it how I see it' type of guy I guess  
Try my best, my Y-S, I'ma go crazy like Kanye West  
Cooking up the kitchen with the cayenne pep', holding my iron,  
I ain't slept  
I'm the one slide on you high on meth, and shooting up dope, how I'm built  
Bitches be broke, thinking I'm gon' help, you can be a broke bitch by yourself  
Bitch, I ain't Zion Williamson, you a pelican, a bird, I'on care  
I'm rebellious and elegant in Maison Margiela  
I'm the bar-setter and the boss of the hard leather  
Hit a spark, made a lot of niggas talking like they biting, but  
they bark better

I'm the man, the myth, them other niggas three letters
