JID

One, two, three, four
Forever can't be too far away
From never, stay where you are
You are, everyone's a star
Everyday's the move
Everywhere you are, pray they gon' rescue you
Everyone's a star
Everyday's the move
Everywhere you are, pray

Ohh, so you don't call
You don't pick up the motherfuckin' phone, nigga
Ohh okay, ohh okay, yeah, yeah
You are who I thought you was, nigga
You plastic, nigga, that means you motherfuckin' fake
