

## LeInterlude Part 1

JID

Can you say that again?  
Just the way you said it, just the same way  
This shit kinda special right now  
I don't know what you're talking about  
No... c'mon you know what I'm talking about  
If I'm not mistaken, you just tried to bribe a federal officer  
No technically I didn't bribe anybody  
No, no that's not the conversation I heard

I got weed on my head, but don't call me a weed head  
Fleas in my bed, but don't say I'm a dog  
Them niggas thought we were cool because they saw me with y'all  
I'm sorry that you're confused, but they aren't arguing dog  
They tried to shit on "jed", I just use it as fertilizer  
I came from a twig, from seeds to burglarizer  
Am high as a bitch, I got women to circumcise you  
Circulatory service, service to sanitize you

I got cheese on my head, but don't call me a cheese head  
I'm packing like a packer, when it comes to cheese bread  
I said I need money, I got to keep that bread close  
Bread dough, hopefully I can eat a day's loaf  
My bitches love me, I know so, because they say so  
Broke nigga they got no job and shit paid for  
Except for the ride that nigga "jig" got the age flow  
Secrets of bitch, but then again they get paid for  
There need to be an exact dollar figure for the exchange servic  
es that would not hold up to court of law  
No no  
I heard it that's the truth  
I want to tell you this  
Sail on boat fit for a bond villain  
Sometimes you need to play the part right?
