Don't got much to say, boy  
Cradle to the grave, and it's been like that since a slave, boy  
It ain't shit to pull up, pick the fucking tool up  
Screaming hallelujah, pushing daisies and some tulips  
(Hi guys, hi, hi, hi)  
Itty bitty bitch, niggas in the city with it, pull up with a stick  
Thirty with the dick  
Seen you in a minute, nigga, put you in cement  
Anybody get a nigga, anybody get  
Shouts to the Chi, nigga poppin' this shit  
Got the drop in your crib, in the spot where you live  
If you talking that shit, nigga, stop it

Nigga not trying, .40 my side  
Eastside guy, but I been worldwide  
D.I.Y, T.I.Y, I'ma try, I'ma die for what I believe in  
We like to feast and I try to eat, edible meat  
I am not an animal, a beast  
Riding with the hammer on the seat (Oh)  
Shotgun, shotgun, hand on my heat  
Bad man, bad man, land of my freedom  
Nigga get life, let the white folks be  
Online beef, not my motif

Don't mind little old me, lil' OG  
J.I.D, I came in on the boat, see

One false move, get your moto shot  
Turn a nigga whip to a photo op

Like a boatload, nigga I'ma float on top  
'Til the grass don't grow and the wind don't blow  
And the po-po don't kill niggas no more  
I bought a thirty round extendo  
If a nigga wanna duck, then I'm playing Duck Hunt  
In real life, not on Nintendo  
Looking out the window like Malcolm X with the rifle  
Climb the steps up the Eiffel  
Barely broke a bead of sweat, whoa  
Many hope to be the best, oh  
Cannot fuck with me for shit though  
J.I.D the closest thing to me  
C'est la vie, my vocal range putting  
Blood stains on Notre Dame hoodies  
Hello fiends, I bought novocaine plus dopamine  
You can load your veins with the product I slang  
Niggas gon' honor my name, boy, I'm a God in this game  
Y'all niggas homonyms, sounding the same  
Not in my lane so I can't complain  
Me and Ben Frank got a damn good thing goin' on  
Way more than a random fling  
Cole and J.I.D with a tandem, niggas can't stand 'em  
Got a new anthem, look at my whip  
Slit on my wrist, suicide, suicide doors on my Phantom  
  
Get off my dick (get off my dick)  
.40 my hip, loadin' my clip  
Cannabis, cannabis, roll up my spliff
