She just waiting on a nigga to save her
She was waiting on a nigga to chase her
And when my niggas not around, I probably will face her
She look so small and mouth so loud
She stuck sometimes, but that's her style
And whenever I'm in another nigga town I browse and look til that pretty bitch found
Cali girl, she came from the Westside (the Westside, the Westside)
And I'm from the Eastside like Reggie Brown
And all I smoke is the medical
And all I smoke is the medical
Let a fool drink, let a fool smoke
Let 'em do shrooms, let 'em do coke
Niggas on pills, birds got gills
Fish got wings, snakes on feet
Everybody say, everybody say "cut your fucking grass"
Everybody say
