

## Little Bit More

Jidenna

Are we ever gon' know?  
You should make up your mind  
Take you back to my shrine  
And I'ma need the whole night

And a little bit more  
(I'm gonna need the whole night)  
They don't know how you like it  
(I'm gonna need the whole night)  
I'ma need the whole night and a little bit more  
(I'm gonna need the whole night)  
They don't know how you like it  
(I'm gonna need the whole night)  
I'ma need the whole night and a little bit more

Yeah, I got the feeling you've been here before  
You needed tonight like a weekend ago  
You in or you out? Are you playing or folding  
We in need of a moment

Are we ever gon' know?  
You should make up your mind  
Take you back to my shrine  
Don't you play dem no mind  
Let dem be  
Let dem go  
She was made for my eyes  
We escape the times  
And I'ma need the whole night

And a little bit more  
(I'm gonna need the whole night)  
They don't know how you like it  
(I'm gonna need the whole night)  
I'ma need the whole night and a little bit more  
(I'm gonna need the whole night)  
They don't know how you like it  
(I'm gonna need the whole night)  
I'ma need the whole night and a little bit more

What you mean, baby?  
So when I call you my baby, don't try delay me  
Gal you know I need your love  
Or am I asking for too much?  
All I need is a little bit more  
Of everything you got  
To, mama, yarn with me, yarn with me, yarn with me  
She like to come dance with the Don  
Know seh she bad, so she waan come try pull de man  
'Cause she waan me a marry to the whine  
So mama, yarn with me, yarn with me, yarn with me, yarn  
She like to come dance with the Don  
Baby, don't bother ask (hey)  
Do you know I'm gonna need the whole night?

(I'm gonna need the whole night)  
They don't know how you like it

(I'm gonna need the whole night)  
I'ma need the whole night and a little bit more  
(I'm gonna need the whole night)  
They don't know how you like it  
(I'm gonna need the whole night)  
I'ma need the whole night and a little bit more

And a little bit more  
And a little bit more  
And a little bit more  
Just a little bit

Wahala, she no de gimme  
Wahala, she no de gimme  
I dey want you plenty, plenty  
I dey want you plenty, plenty  
Oh me, oh my  
Plenty, plenty, whole night  
Plenty, plenty  
Oh me, oh my  
Plenty, plenty, whole night  
Plenty, plenty

And a little bit more  
(I'm gonna need the whole night)  
They don't know how you like it  
(I'm gonna need the whole night)  
I'ma need the whole night and a little bit more  
(I'm gonna need the whole night)  
They don't know how you like it  
(I'm gonna need the whole night)  
I'ma need the whole night and a little bit more
