

# MiSS BEHAVE

Jidenna

I'm better off out here  
Won't trouble you none  
It's dangerous out here  
Run for your mum  
It's bad enough out here  
Run from the click of the gun  
It's changing up out here  
I don't know who I become

Ooh ahhh  
I just wanna come and spank this swank on you  
Ooh ahhh  
Break one rule if it's the last thing that you do  
Oooh

You'll see  
You'll see when I finish you through ooh  
You'll see  
You'll see when I finish you through

Oh Miss Behave baby (Oh Miss Behave Baby)  
Oh Miss Behave you're so afraid oh Miss Behave (Don't be afraid Baby)  
Oh Miss Behave I know you're brave, I know you're brave oh Miss Behave (I know you're brave baby)  
Massa don't gotta know  
Oh Miss Behave you're not a slave (Don't be a slave baby)

They raise you rough out here  
You're from where you from  
You changin' up out here  
You don't know who you become

Ooh ahhh  
I just wanna come and spank this swank on you  
Ooh ahhh  
Break one rule if it's the last thing that you do  
Oooh

You'll see  
You'll see when I finish you through ooh  
You'll see  
You'll see when I finish you through

Oh Miss Behave baby (Oh Miss Behave Baby)  
Oh Miss Behave you're so afraid oh Miss Behave (Don't be afraid Baby)  
Oh Miss Behave I know you're brave, I know you're brave oh Miss Behave (I know you're brave baby)  
Massa don't gotta know  
Oh Miss Behave you're not a slave (Don't be a slave baby)

O.K.
