

# SAFE

Jidenna

I'd just like to say that uh  
Yeah, if you come close  
I'm only safe  
When I'm with you, baby

Ooh  
Sunday morning  
Shot through my window  
My baby's gorgeous  
Look at my kinfolk  
Ooh  
I think today I might just go outside  
Ooh  
I think I'll take some chocolate for a ride

Man this world is going crazy  
Can't nobody say what's true  
If we get our reparations  
I'll just lay right here with you

'Cause ooh, I'm  
I'm only safe (I'm only safe)  
When I'm inside  
You (When I'm inside)  
Ooh, I'm  
I'm only safe  
When I'm inside  
You  
(So come here)

I think low-key that I can tell yeah  
I can feel you're number one  
Ain't think I'd ever feel like home  
You pull the trigger on my gun

Swankaifornia  
Outside my window  
Start the car  
Are you ready to go?  
Oh-ho, baby  
Oh, baby, you ain't gotta make those eyes  
I was gonna get some air  
On the way to go outside

This world is going crazy  
Can't nobody say what's true  
If we get our reparations  
I'll just lay right here with you

'Cause ooh, I'm  
I'm only safe  
When I'm inside  
You (When I'm inside)  
Ooh, I'm  
I'm only safe  
When I'm inside (When I'm inside)  
You

You know I got you on my mind  
I just wanna spend more time with you

You're the most interesting woman  
On the planet  
Yeah
