

## Letters to Myself

Jigsaw

It's got so bad right now  
No matter any how you see that  
I'm writing letters to myself  
(Uh-huh)

The postman smiles hello  
You see, he doesn't know  
It's got so I'm writing letters to myself

Know exactly what I want to say (Bop-bop)  
Love you many more and more each day (Bop-bop)  
It's so easy when you're writing to yourself  
(Uh-huh, uh-huh, uh-huh, uh-huh, oh yeah)

I think you're special and I love you so (Bop-bop)  
Never leave you, never let you go (Bop-bop)  
It's so easy when you're writing to yourself  
(Uh-huh, uh-huh, uh-huh, uh-huh, oh yeah)

No one will know for sure  
You ain't around no more  
It's got so I'm writing letters to myself  
(Uh-huh)
