

## When the Sun Is in Your Eyes

Jigsaw

When the sun is in your eyes  
It's hard to see  
The light when it's shining on you  
You know, it's hard, but it's true  
You just cannot see the light  
When the sun is in your eyes

Though there's beauty all around  
It's hard to see  
The world when you're blinded by trees  
You know, you just cannot please  
A man who searches for light to see  
While the sun is in his eyes

And when he can't see the light  
He hides his eyes  
So that he cannot see  
What he has done  
While the sun was in his eyes

While the sun was in his eyes  
While the sun was in his eyes  
While the sun was in his eyes

When the sun is in your eyes  
It's hard to see  
The light when it's shining on you  
You know, it's hard, but it's true  
You just cannot see the light  
When the sun is in your eyes

When the sun is in your eyes  
When the sun is in your eyes  
When the sun is in your eyes  
When the sun is in your eyes  
When the sun is in your eyes  
When the sun is in your eyes  
When the sun is in your eyes  
When the sun is in your eyes
