

Who Do You Think You Are

Jigsaw

Who am I?
I'm just a guy who only wants
To try to do what's right
I'll never make you cry
But you're no good to me
Who do you think you are?
You tried to push me a bit too far
And every day sees another scar
Oh baby who do you think you are?
If you want me there, you gotta care!
Oh tell me

Who do you think you are
Taking advantage of me this way?
Who do you think you are
Hurting me more with the things you say?
It's not fair you don't care
Who do you really think that you are?

Where are we? (where are we?)
We're at the cross roads and
I just can't see
Which road to take to keep you
Here with me (here with me)
The lights are changing baby
Who do you think you are?
You tried to push me a bit too far
And every day sees another scar
Oh baby who do you think you are?
If you want me there you gotta care!
Oh tell me

Who do you think you are
Taking advantage of me this way?
Who do you think you are
Hurting me more with the things you say?
It's not fair you don't care
Who do you really think that you are?

Who do you think you are? (Who am I?)
Oh baby who do you think you are?
(I'm just a guy who only)
Who do you think you are?
(Wants to try)
Oh tell me who do you think you are?
(To do what's right and never)
Who do you think you are?
(Make you cry)
Oh tell me who do you think you are?
(But you're no good and baby)
Who do you think you are?
(Where are we?)
Oh tell me who do you think you are?
(We're at the cross roads)
Who do you think you are?
(And I just can't see)
Oh tell me who do you think you are?
