

Closer

JIHYO

I just can't leave you alone
Can we get even closer, babe?
Get closer

I know you only just met me
Uril seoro danggin gravity
Amu maljocha eopseodo imi, it's telepathy
Chakgakage mandeuneun geonji, mm-mm

Unmyeong anin georamyeon seolmyeonghae bwa naege
Tteollyeooneun sumgyeori malhae

I could be wrong
But naege bonaeon neoui sinho
Baby, me too
I could be wrong
But neodo junbiga doen geot gatgo
Baby, me too, me too

I just can't leave you alone
Can we get even closer, babe?
Get closer, babe
Oh, I just can't leave you alone
Can we get even closer, babe?
Get closer

I don't know what you mean to me
Nege nan eotteon uimiinji
Sanggwaneopseo, make it easy
Tell me where this is heading

Sokdoga buteun balgeoreumeul neoegero
Bulkkochi buteun now, lights on

I could be wrong
But naege bonaeon neoui sinho
Baby, me too
I could be wrong
But neodo junbiga doen geot gatgo
Baby, me too, me too

I just can't leave you alone
Can we get even closer, babe?
Get closer, babe
Oh, I just can't leave you alone
Can we get even closer, babe?
Get closer

La-la-la, la-la-la, la-la-la (Ooh, ooh)
La-la-la, la-la-la, la-la-la (Oh, woah, woah, woah)
(Oh, woah, woah, babe)

Get, get closer

I just can't leave you alone
Can we get even closer, babe?
Get closer

I know you only just met me
Gravity that pulled us together
Even if you don't say anything, it's already, it's telepathy
I don't know if I'm making you misunderstand, mm-mm

If it's not fate, explain it to me
The trembling breath speaks

I could be wrong
But your signal to me
Baby, me too
I could be wrong
But I think you're ready too
Baby, me too, me too

I just can't leave you alone
Can we get even closer, babe?
Get closer, babe
Oh, I just can't leave you alone
Can we get even closer, babe?
Get closer

I don't know what you mean to me
What I mean to you
I don't care, make it easy
Tell me where this is heading

I'll walk faster to you
Now, lights on with fireworks

I could be wrong
But your signal to me
Baby, me too
I could be wrong
But I think you're ready too
Baby, me too, me too

I just can't leave you alone
Can we get even closer, babe?
Get closer, babe
Oh, I just can't leave you alone
Can we get even closer, babe?
Get closer
