

# Bigger Than You

Jill Barber

It was one night at your place  
Meet the man behind the face  
Whiskey crown on my head hung  
Sweet nothin's rollin' off your tongue

I don't wanna be part of that club  
You come to me like a helpless cub  
Float like a butterfly, sting like a bee  
When you come at me like a big grizzly

I put my hands in the air  
I'm not scared  
I'm not scared  
I'm bigger than you  
Your teeth are red  
But I'm not scared  
I'm not scared  
I'm bigger than you

One night in Piccadilly Circus  
I was not expectin' you to surface  
Try to take my hand, you couldn't understand  
Try to show me how you were really worth it

I don't wanna be part of that club  
You come to me like a helpless cub  
Float like a butterfly, sting like a bee  
When you come at me like a big grizzly

I put my hands in the air  
I'm not scared  
I'm not scared  
I'm bigger than you  
Your teeth are red  
But I'm not scared  
I'm not scared  
I'm bigger than you

You said you're so lucky  
I'm so lucky?  
You're so lucky

You're so lucky  
You're so lucky  
You're so lucky  
You're so lucky

I put my hands in the air  
I'm not scared  
I'm not scared  
I'm bigger than you  
Your teeth are red  
But I'm not scared  
I'm not scared  
I'm bigger than you

I put my hands in the air (Hands in the air)

I'm not scared  
I'm not scared  
I'm bigger than you  
Your teeth are red (Teeth are red)  
But I'm not scared  
I'm not scared  
I'm bigger than you

I put my hands in the air (Hands in the air)  
I'm not scared (I'm not scared)  
I'm not scared  
I'm bigger than you  
Your teeth are red (Teeth are red)  
But I'm not scared (I'm not scared)  
I'm not scared  
I'm bigger than you
