

Cage Without a Key

Jill Barber

Time like a wave
Nature's daughter
Can't be saved
In the net that caught her

Dark as the ocean
Deep as the sea
High like the tide
Risin' in me

Set me free
The wings inside of me
Set me free
A cage without a key
Set me free

Love is made
Like a lamb for slaughter
The price we pay
Come hell or high water

Blind in the shade (Blind in the shade)
Still in the breeze (Still in the breeze)
The game we play (Game we play)
And try to cheat

Set me free
The wings inside of me
Set me free
A cage without a key
Set me free

In the waitin' room
The air is thin
In the waitin' room
I wanna crawl outta my skin
In the waitin' room
Dressed up in a paper gown
In the waitin' room
They came and took back their crown

In the waitin' room
(A way out, a way in)
The air is thin
In the waitin' room
(A way out, a way in)
I wanna crawl outta my skin
In the waitin' room
(A way out, a way in)
Dressed up in a paper gown
(A way out, a way in)
In the waitin' room
(A way out, a way in)
They came and took back their crown
(A way out, a way in)

Set me free

The wings inside of me

Set me free

Awake inside a dream

Set me free

The wings inside of me

Set me free

A cage without a key

Set me free
