

Underneath the Tree

Jill Barber

Tonight, I'm gonna hold you close
Make sure that you know
That I was lost before you

Christmas was cold and grey
Another holiday
Alone to celebrate

But, then, one day
Everything changed
You're all I need
Underneath the tree

You're here where you should be
Snow is falling, and the carolers sing
It just wasn't the same
Alone on Christmas day
Presents—what a beautiful sight—
Don't mean a thing until you're holding me tight
You're all that I need
Underneath the tree

I found (I found) what I was looking for (ooh)
A love that's meant for me
A heart that's mine completely

Knocked me right off my feet (ooh)
And this year I will fall
With no worries at all

'Cause you are near
And everything's clear
You're all I need
Underneath the tree

You're here where you should be
Snow is falling, and the carolers sing
It just wasn't the same
Alone on Christmas day
Presents—what a beautiful sight—
Don't mean a thing until you're holding me tight
You're all that I need
Underneath the tree

You're here where you should be
Snow is falling, and the carolers sing
It just wasn't the same
Alone on Christmas day
Presents—what a beautiful sight—
Don't mean a thing until you're holding me tight
You're all that I need
Underneath the tree
Tonight
