

Time Will Fly

Jill Johnson

Let me wipe the sadness from your eyes.
You now it breakes my heart, seeing you cry.
Give me a smiley to hold on to,
For all the nights I dream of you.

Say goodbye! You know I'll be with you in every moment
Keep our love love alight,
And then before you
Know it, I'll be by your side
Time will fly...

I know it seems so far away,
I know it sounds like so many days.
But just like tonight those days will end.
It wont be long, I'll see you again.

Say goodbye! You now I'll be with you in every moment
Keep our love love alight,
And then before you know it.
I'll be y your side
Time will fly...
Time will fly...

Say goodbye! You now I'll be with you in every moment
Keep our love love alight,
And then before you know it.
I'll be by your...
Say goodbye! you now I'll be with you in every moment
Keep our love love alight,
And then before you know it.
I'll be y your side
I'll be by your side.
Time will fly...

I'll be by your side.
