

I see you
You got love on the brain
It's all in your hands
All in your veins
In every part of you
In every molecule

I see you
Wiggling your toes in the rain
Joyful freedom
It belongs to you
You know it's true
You look, you love, you laugh
You smile through and through

Àşẹ (Àşẹ)
Àşẹ Àşẹ
Àşẹ
Àşẹ
I mean Amen
Àşẹ
Àşẹ Àşẹ (Àşẹ)
Àşẹ
I mean Amen
Amen I mean
Amen
Amen

I see you healthy from tip to toe
Moving with life's ebbs and flows
Light all around you
And it grows and grows
I see you abundant with faith
I see your hands in the air
Grateful, grateful
For everything the creator gave
And still giving

Àşẹ
Àşẹ Àşẹ (Àşẹ)
Àşẹ (Àşẹ Àşẹ Àşẹ)
I mean Amen
Amen, Àşẹ, yes
Àşẹ Àşẹ
Fanga Alafia Àşẹ, Àşẹ
Àşẹ
