

Be Ready

Jill Scott

When when you you come come to to me me me
Be ready ready, be ready ready, be ready ready, be ready ready

When when you you come come to to me me me
Be ready ready, be ready ready, be ready ready, be ready ready

I am so fly
I can fly higher than high
I can be many styles at the same time

You're now rocking with the best
Your Royal Highness
If you want a test then test me but

When when you you come come to to me me me
Be ready ready, be ready ready, be ready ready, be ready read

When when you you come come to to me me me
Be ready ready, be ready ready, be ready ready, be ready ready

I can not explain it
I can not contain it
My soul flies free

There's really no contest
We are no no God Blessed
And if you think that's fresh then wait till you see my show

Oh, when when you you come come to to me me me me me
Be ready ready, be ready ready, be ready ready, be ready

Oh, when when you you come come to to me
Be ready ready, be ready ready, be ready ready, be ready

Oh, when when you you come come to to me me me me me me me
Be ready ready, be ready ready, be ready ready ready ready ready

When you come to me
When you come to me
When you come to me
When you come to me

When you come to me
When you come to me
When you come to me
When you come to me

When you come to me
When you come to me
When you come to me
When you come to me

When you come to me
When you come to me
