

Hello, hello, hello  
Hello, hello, hello  
Hello, hello, hello  
Hello, hello, hello, hello

Mmm, this morning my man exclusively introduced me  
To some good extra lovin'  
He was lickin' and suckin' on everything  
Just the way he should  
This morning's extra lovin' was good  
We laid there sweaty, sex funky, happy as we want to be  
Lovin' exclusively, my man and me  
All night, all morning  
So our stomachs were growlin' hungrily  
So I jumped up and rushed to the store  
In hopes of coming back and getting a little more of  
This morning's good extra lovin' '  
At the market the people were pushing and shoving  
Trying to be the next in line, the turn was mine  
The new girl at the counter was cute, not as fine as me  
Was this some kind of women's intuition, some kind of insecurity  
Nah, cause my man is happy at home lovin' me exclusively  
So I shook my head, "What's up?"  
"Hello," she smiled as she rung me up  
Orange juice \$3.29, Croissants \$4.85  
She sniffed, Butter 89  
She sniffed, Strawberries \$1.50 a pint  
She sniffed, and sniffed, and sniffed, and sniffed again  
And then replied, "Raheem, right?"  
Right!?!
