

Pause (Interlude)

Jill Scott

Hey
It's me
I'm calling
To schedule
A nervous
No
Make that necessary
Breakdown
I won't be answering
Anything
I'll be so busy
With my knees on the ground
And my hands up towards the clouds
Confessing out loud
Confessing out loud
I ain't
To proud
To say I'm slipping
So I'm calling
To schedule
A very necessary
Breakdown

Leave me alone
Now
