

Sincerely Do

Jill Scott

I called so many times
Not from my cell, though
I been reaching out from my heart and soul
Probably impractical
That's how we used to do
Hope this clarity comes through
I sincerely do
I sincerely do
I sincerely do
I hope this clarity comes through

You are beautiful
Especially
Ooh, they can't see
Busy pretending
Shape-shifting
All to have your feels
But none of the meaning

Do you see you?
Do you see you?
Do you see you?
I do

Called so many times
Not from my cell, though
I been reaching out from my heart and soul
Probably impractical
That's how we used to do
Hope this clarity comes through
I sincerely do
I sincerely do
I sincerely do
