

I Kissed A Girl

Jill Sobule

Jenny came over and told me 'bout Brad
He's such a "harry" but you know what he said?
Dumb as a box of hammers
But he's such a handsome guy.

And I opened up and I told her 'bout Larry
And yesterday how he asked me to marry
And I'm not giving him an answer yet
I think I can do better!

So we laughed
Compared notes
We had a drink
We had a smoke
She took off her overcoat
I kissed a girl.
I kissed a girl.

She called home to say she'd be late
He said he'd worried but now he'd feel safe
I'm glad your with your girlfriend
Tell her "hi" for me.

And then I looked at you
You had guilt in your eyes
But it only lasted a little while
And then I felt your hand above my knee.

And we laughed
At the world
They can have their diamonds
And we'll have our pearl
I kissed a girl.
I kissed a girl.

I kissed a girl
Her lips were sweet.
She was just like kissing me
Kissed a girl won't change the world
But I'm so glad,
I kissed a girl!

And we laughed
At the world
They can have their diamonds and
We'll have our pearl.

I kissed a girl!
For the first time
I kissed a girl
And I may do it again!
I kissed a girl.
I kissed a girl.

I kissed a girl her lips were sweet,
She was just like kissin' me
But yeah, I kissed a girl.

Kissed a girl won't change the world
But I'm so glad I
Kissed a girl.
I kissed a girl.
I kissed a girl!.
