

Let Not Your Heart Be Troubled

Jillian Edwards

Verse 1

Let not your heart be troubled
Let not your faith be swayed
Even when the mountains start to shake
Let not your hope grow weary
Let not your peace give way
Even when the levee starts to break

Chorus

Wait, wait
Wait upon the Lord to give you strength
Wait, wait
Wait upon the Lord to give you strength

Verse 2

Let not your heart be troubled
Let not your vision fade
Remember all the promises He's made
Come all ye heavy laden
Come here and find your rest
Come and lay your head upon His chest

Chorus

Wait, wait
Wait upon the Lord to give you strength
Wait, wait
Wait upon the Lord to give you strength

Bridge

And He will carry all the weight
Trade your worry for His grace
His yoke is easy, His burden light
Lift your head up, lift your eyes

Chorus

Wait, wait
Wait, wait
Wait upon the Lord to give you strength
Wait upon the Lord to give you strength
Wait upon the Lord to give you strength

Outro

Let not your heart be troubled
Let not your flame go dim
Everything you need you find in Him
Yes, everything you need you have in Him
