

Mind Made Up

Jillian Edwards

There's a spring in my step
A fall in the way I love you
In summer and winter they waltz together when I met you
I'm feeling it strong
I know why I belong

There's a path in your words
A trail in all the things you do
So I'm walking I'm running
I'm diving head first into you
I'm feeling it strong
I know why I belong

I've got my mind made up
I've got my mind made up
I've got my mind made up
About you

There's a rush in my thoughts
A traffic in all the things I gotta let you know
So many things I could pick up out of these villages
and towns That oh I'm
Taking in
I'm feeling it strong
I know why I belong

I've got my mind made up
I've got my mind made up
I've got my mind made up
About you

There's a place inside me
A vacant heart that I reserved for you
Well I always held back
I always kept half until you
I'm feeling it strong
I know why I belong

I've got my mind made up
I've got my mind made up
I've got my mind made up
About you

Now I'm never ever gonna let you go

I've got my mind made up
I've got my mind made up
I've got my mind made up
About you
