

Alone With You

Jim Brickman

Maybe I'm just crazy, but it's feeling like we're strangers
I look at you, you look away
Since we've never got a lot to say

Was so good with you
So good with you
Now, I'm so confused
I'm so confused

This isn't the way love's supposed to feel
So why do I feel so alone with you?
Alone with you
Why do I feel so alone?

Is it my imagination or is the heart inside you changing?
It used to feel so much for me
Is it running out of love for me?

Was so good with you
So good with you
Now, I'm so confused
I'm so confused

This isn't the way love's supposed to feel
So why do I feel so alone with you?
Alone with you
Alone with you
Tell me
Tell me, why?
Why do I feel so alone?

You look at your phone
More than you're looking at me
I feel you so close
But you feel so out of reach
Suddenly, it's like I don't know you
You're here with me, but where did you go to?
This isn't the way love's supposed to feel
So why do I feel so alone?
Alone with you
Alone with you
Tell me
Tell me, why?
Why do I feel so alone with you?
Alone with you
Why do I feel so alone?

Maybe I'm just crazy, but it's feeling like we're strangers
