

Counting Down To Christmas

Jim Brickman

One
Dust off the decorations
Two
Send out the invitations
Three
We're having a celebration
But you're the one that I'll be waiting for
Four
Never been so excited
Five
All of the lights are lighted
Six
The time that we're reunited
I have never felt this way before
4, 3, 2, 1

Got me counting down to Christmas
At the very top of my list
Is you and me under the mistletoe
Got me crossing off the days
Til I see your smiling face
Baby, you got me counting down to Christmas

Ooh
Outside is stormy weather
Ooh
But I don't need my ugly sweater
Ooh
Cause we're warming up together
You're the gift I'm always waiting for
4, 3, 2, 1

Got me counting down to Christmas
At the very top of my list
Is you and me under the mistletoe
Wrote it down and checked it twice
Whether naughty, whether nice
Baby, you got me counting down to Christmas

You're the gift I'm always waiting for...

4, 3, 2, 1

Got me counting down to Christmas
At the very top of my list
Is you and me under the mistletoe
Wrote it down and checked it twice
Whether naughty, whether nice
Baby, you got me counting down to Christmas
Baby, you got me counting down to Christmas

Baby, you got me counting down... to Christmas
