

Fa La La HO HO HO

Jim Brickman

Fa la la (fa la la)
Ho ho ho (ho ho ho)
Kissing underneath (kissing underneath)
The mistletoe (the mistletoe)

I never really thought the snow
Was ever all that beautiful
And I always tried to wish away the cold, yeah
But ever since you came to me
Girl I'm seeing things so differently
And I finally realize what Christmas means

You've got me, completely
Believing, now we're singing

Fa la la (fa la la)
Ho ho ho (ho ho ho)
Kissing underneath (kissing underneath)
The mistletoe (the mistletoe)
Got me fa la la (fa la la)
Ho ho ho (ho ho ho)
Now that you're mine (now that you're mine)
I'll never let you go (I'll never let you go)

And there's nothing else that feels so right
Than being with my baby tonight
Below the twinkling stars and falling snow, oh-oh-oh
And there's nowhere else I'd rather be
Than with you by the Christmas tree
Snuggling by the fire, just you and me, oh baby

You've got me, completely
Believing, now we're singing

Fa la la (fa la la)
Ho ho ho (ho ho ho)
Kissing underneath (kissing underneath)
The mistletoe (the mistletoe)
Got me fa la la (fa la la)
Ho ho ho (ho ho ho)
Now that you're mine (now that you're mine)
I'll never let you go (I'll never let you go)

You've got me, completely
Believing, now we're singing

Fa la la (fa la la)
Ho ho ho (ho ho ho)
Kissing underneath (kissing underneath)
The mistletoe (the mistletoe)
Got me fa la la (fa la la)
Ho ho ho (ho ho ho)
Now that you're mine (now that you're mine)
I'll never let you go (I'll never let you go)

You got me singing
Fa la la la la la la la la

Kissing underneath (kissing underneath)
The mistletoe (the mistletoe)
You got me fa la la (fa la la)
Ho ho ho (ho ho ho)
Now that you're mine (now that you're mine)
I'll never let you go (I'll never let you go)
