

# If I Could Turn Back Time

Jim Brickman

If I could turn back time  
If I could find a way  
I'd take back those words that hurt you  
And you'd stay

I don't know why I did the things I did  
I don't know why I said the things I said  
And pride's like a knife  
It cuts deep inside  
And words are like weapons  
They wound sometimes

I didn't really mean to hurt you  
Didn't wanna see you go  
I know I made you cry

But if I could turn back time  
If I could find a way  
I'd take back those words that hurt you  
And you'd stay

If I could reach the stars  
I'd give them all to you  
And you'd love me  
You'd love me  
Like you used to do

My world was shattered. I was torn apart  
Someone took a knife and drove it in my heart  
And you walked out  
I swore I didn't care  
I lost everything then and there

Too strong to tell you I was sorry  
Too proud to tell you I was wrong  
I know that I was blind

If I could turn back time  
If I could find a way  
I'd take back these words that hurt you  
And you'd stay

If I could reach the stars  
I'd give them all to you  
And you'd love me  
And you'd love me  
Like you used to do

If I could turn back time  
If I could turn back time
