

# My Love Is Here

Jim Brickman

Words nothing but words  
For me to show  
How much my love for you  
Unfolds through trouble and fears  
This love feels so real, and I need you to know

Even though we're far apart  
You're right beside me in my heart

Don't you know my love is here?  
Don't you know my love is real?  
You should know by now  
This much is true  
My love is here for you

Time, nothing but time  
To make up your mind  
I'll give you all that you need  
I want you to know, I'll never let go  
Till you come back to me

And even though you're far away  
I am right beside you day by day

Don't you know my love is here?  
Don't you know my love is real?  
You should know by now  
This much is true  
My love is here for you

And even though we're far apart  
You're right beside me in my heart

Don't you know my love is here?  
Don't you know my love is real for you?  
You should know by now  
This much is true  
My love is here for you
